## **Major Changes in 2012-13 North Carolina based Aid for N.C. Residents**

WPU students who are North Carolina residents will experience significant changes in state-based financial aid as a result of cuts made by the N.C. General Assembly.

Beginning in the 2012-13 academic year, the following scholarships and grants will no longer be available:

- N.C. Legislative Tuition Grant (NCLTG)
- N.C. Contractual Scholarship Funds (NSCF)
- N.C. Lottery Scholarship

In their place will be a single need-based scholarship, The North Carolina Need Based Scholarship. The budget for this scholarship is limited, and the funds will be awarded on a first-come, first-served basis.

The N.C. General Assembly made \$35 million in cuts to state funding for independent colleges and universities across the state. These cuts were part of \$925 million in funding cuts for education, including for public universities.

**The 2012-13 Free Application for Federal Student Aid (FAFSA) must be completed for eligibility to be determined. You may complete the FAFSA online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) with the Peace School Code of 002953.**
