NOTES:

*All credits from the AAS degree will transfer if a grade of C- or better is earned. A maximum of 90 transfer credits may apply to the WPU degree. Final determination of transfer credit rests with the WPU Registrar.

Recommend BIO 110 at WTCC from "Other Major Hours Pick List" in AAS.

Taking MAT 152 Statistics as the AAS math requirement will fulfill MAT 201 Statistics at WPU.

Must meet all WPU graduation requirements as outlined in the Academic Catalog.

Students should consult with WPU Admissions before taking additional transfer credit.

See WPU Academic Catalog for courses that fulfill Liberal Education (LibEd) requirements and major electives.
