#### NOTES:

\*All credits from the AAS degree will transfer if a grade of C- or better is earned. A maximum of 90 transfer credits may apply to the WPU degree. Final determination of transfer credit rests with the WPU Registrar.

Taking PSY 150 at WTCC will give you more options for CRJ major electives at WPU (equivalent PSY 101 is a pre-requisite to many major electives).

Must meet all WPU graduation requirements as outlined in the Academic Catalog.

Students should consult with WPU Admissions before taking additional transfer credit.

See WPU Academic Catalog for courses that fulfill Liberal Education (LibEd) requirements and major electives.
